

 Teledyne Continental Motors, Inc. A Teledyne Technologies Company Telephone 800-326-0089	TCM Update: Dual Magnetos	Distributor Information Bulletin February 23, 2010 DIB2010-04 Page 1 of 3
---	---	---

Dear Valued Distributor/Customer

Effective today February 23, 2010, Teledyne Continental Motors (TCM) will no longer accept orders for our dual magneto line including all harnesses and supporting parts.

- TCM will honor all orders placed before 5:00 PM CST, February 23, 2010.
- TCM will process warranty claims for fielded components as per TCM's warranty.

This is a very difficult decision and a decision that does not come easy to us. It is an action that we deeply regret, but cannot avoid. We are sorry for any inconvenience this will impose on our customers.

On the subsequent pages of this DIB, is a list of magnetos and harnesses that will no longer be available. See the attached file for a comprehensive list of all magnetos, harnesses and supporting parts that are affected.

Please enter a Synergy Request on your distributor portal or call Customer Service at 1-800-326-0089 if you have a question.
